

European Commission

Horizon Europe

The project proposal

190176170 — BioPhosphate

“Novel upcycling of EU agri-food by-products for regenerative and sustainable fertilization to reinforce the resilient agri-food systems”

submitted under the Horizon Europe EIC call

HORIZON-EIC-2023-ACCELERATORCHALLENGES-01 — EIC Accelerator Challenge: Novel biomarker-based assays to guide personalised cancer treatment

by

3R-BioPhosphate Ltd.

following evaluation by an international panel of independent experts

was recognised as a high-quality project proposal in a highly competitive evaluation process

but could not receive funding due to budgetary constraints and is therefore recommended by the European Commission for funding by other sources.
