Converting trash into cash: carbon refinery, recovery and recycling of added value organic Phosphate products

May 25, 2018

**Subject:** European General Data Protection Regulation “GDPR”

Dear Partners,

You're receiving this email because you are subscribed to our newsletter.

The European General Data Protection Regulation, GDPR, will enter into force on May 25, 2018. After this date, we would like to continue sending you our free newsletter packed with news and information custom-tailored to your needs to ensure you receive the most benefit.

We take really seriously your privacy, which is why we want to inform you about our updated Privacy Notice.

In this context **we follow and fully apply the EU data protection rules for the protection of personal data inside and outside the EU** [https://ec.europa.eu/info/law/law-topic/data-protection\\_en](https://ec.europa.eu/info/law/law-topic/data-protection_en).

This means that your details will not be shared with any third parties. If you agree with these updates, we will continue to keep you posted with our works, projects and ideas.

If you would no longer like to receive our newsletter please unsubscribe from our newsletters and contact list.

Thank you for your cooperation,

Terra Humana Ltd.  
Edward Someus  
(Managing Director)
